Baby Scale*

**Suspended Sling
Seat Included**

Ideal for doctors and nurses working in remote locations, Detecto's model HS25KGP Baby Scale is lightweight and portable without requiring any battery or AC power. The waterproof vinyl weighing trousers are attached to a heavy-duty, zinc-plated S-hook providing a comfortable suspended sling seat for weighing babies. The 20 cm diameter, shatterproof dial features a white face with black graduations and numerals for high-contrast readouts.
